Offeror: Brookfield Renewable Holdings S.A.S., a French *société par actions simplifiée* with a share capital of 1,000 euros, having its registered office at 39 rue de Courcelles, 75008 Paris, France, registered with the Paris Trade and Companies Register under number 928 680 024 ("**Brookfield Renewable Holdings**" or the "**Offeror**").

Terms of the squeeze-out: Following the simplified tender offer initiated by the Offeror for the Company's Shares and OCEANES, which received a clearance decision from the AMF on 11 February 2025 (cf. *D&I 225C0297 of 12 February 2025*) and which ran from 13 February 2025 to 13 March 2025 (included) (the "**Offer**"), the Offeror held directly and indirectly, alone and in concert²:

- (i) 158,568,130 Shares representing 97.73% of the Company's share capital and voting rights³,
- (ii) 902,796 2020 OCEANES representing 100% of the outstanding 2020 OCEANES and 1,086,966 Neoen shares likely to be issued upon conversion of the 2020 OCEANES⁴, and
- (iii) 610 2022 OCEANES representing 95.76% of the outstanding 2022 OCEANES and 1,525,563 Neoen shares likely to be issued upon conversion of the 2022 OCEANES⁵.

Among the Shares held by the Offeror:

- 3,343,335 Shares representing 2.06% of the Company's share capital and voting rights³ result from the conversion of 2,776,857 2020 OCEANES, and
- 5,909,683 Shares representing 3.64% of the Company's share capital and voting rights³ result from the conversion of 2,363 2022 OCEANES.

It also recalled that the Offeror held, at the end of the Offer, by way of assimilation pursuant to Article L. 233-9 I, 2° and 4° of the French Commercial Code, 66,463 treasury shares held by the Company that were not tendered to the Offer and 595,060 definitively allocated free shares subject to liquidity agreements⁶. These shares, which are assimilated to the shares actually held by Brookfield Renewable Holdings (the "**Assimilated Shares**"), will not be transferred to the Offeror as part of the squeeze-out procedure.

Hence, the conditions set out in Articles L. 433-4 II of the French Monetary and Financial Code and 237-1 *et seq.* of the AMF general regulations to implement the squeeze-out procedure for the Company's shares are met, given:

² See AMF notice No. 225C0518 dated 19 March 2025. This includes the 661,523 Assimilated Shares (as defined below).

This press release does not constitute an offer or solicitation to acquire any securities and is not intended for distribution or publication in jurisdictions where the offer would not be authorised.

- 3,835,022 Shares⁷ not tendered to the Offer by the minority shareholders (excluding the Assimilated Shares) represent, following the Offer, 2.36% of the Company's share capital and theoretical voting rights³;
- when examining the compliance of the proposed simplified tender offer, the AMF was provided with (i) the valuation report drawn up by BNP Paribas and Société Générale, presenting banks of the Offer and (ii) the report of the independent expert, which concluded that the prices offered in the context of the Offer were fair, including in view of the squeeze-out; and
- the squeeze-out includes the cash payment proposed at the time of the Offer.

It is also specified that the Neoen shares likely to be created following the conversion of the 27 2022 OCEANEs not tendered to the Offer (*i.e.*, 67,524 shares) added to the existing Shares not tendered to the Offer (excluding the Assimilated Shares mentioned above), represent, following the Offer, 2.27% of the sum of existing equity securities and those that may likely be created.

Therefore, the conditions required by Article L. 433-4 III of the French Monetary and Financial Code and Articles 237-1 *et seq.* of the AMF general regulations to implement the squeeze-out procedure for the 2022 OCEANEs not presented to the Offer are also met.

As 100% of the outstanding 2020 OCEANEs were tendered to the Offer, the 2020 OCEANEs will not be targeted by the squeeze-out procedure and have been the subject of a delisting application from Euronext Access.

By letter dated 19 March 2025, BNP Paribas and Société Générale, acting on behalf of the Offeror, informed the AMF of the Offeror's decision to implement the squeeze-out procedure relating to the Shares not tendered to the Offer held by the minority shareholders, subject to the exclusions indicated below, and the 2022 OCEANEs not tendered to the Offer held by the holders of 2022 OCEANEs, as the Offeror had expressed the intention in the offer document relating to the Offer, which received the AMF visa No. 25-030 dated 11 February 2025 (the "**Offer Document**").

In accordance with AMF notice No. 225C0554 of 25 March 2025, the squeeze-out will be implemented on 4 April 2025 and will cover:

- all the existing Shares not held directly by the Offeror following the Offer (excluding the Assimilated Shares), *i.e.*, 3,676,935 shares, representing 2.27% of the Company's share capital and voting rights³ and 158,087 shares held by the concert⁷, and
- all the outstanding 2022 OCEANEs at the end of the Offer and not held directly by the Offeror on the same date, *i.e.*, 27 2022 OCEANEs.

The suspension of the listing of Shares and OCEANEs is maintained until the implementation of the squeeze-out.

Euronext has published the timetable for the implementation of the squeeze-out of the Shares and the 2022 OCEANEs and the delisting date of (i) the Shares from the regulated market of Euronext Paris and (ii) the 2020 OCEANEs and the 2022 OCEANEs from the multilateral trading facility Euronext Access, *i.e.*, 4 April 2025.

⁷ Including (i) 154,885 RD Shares That May Be Tendered held by Mr. Romain Desrousseau (indirectly through Planpincieux SAS), (ii) 1,600 PEE Shares held by Mr. Xavier Barbaro and (iii) 1,602 PEE Shares held by Mr. Romain Desrousseau (as the terms RD Shares That May Be Tendered and PEE Shares are defined in the Offer Document).

This press release does not constitute an offer or solicitation to acquire any securities and is not intended for distribution or publication in jurisdictions where the offer would not be authorised.

In accordance with the provisions of Article 237-5 of the AMF general regulations, the Offeror will publish a notice informing the public of the squeeze-out in a legal gazette (*journal d'annonces légales*) of the place where the Company has its registered office.

In accordance with the provisions of Article 237-4 of the AMF general regulations, the Offeror has undertaken to pay the total amount of the indemnification, net of all costs, into a blocked account opened for this purpose with Uptevia, designated as the centralising agent for the compensation transactions, which will carry out the compensation on behalf of the Offeror on the account of the holders of Shares and 2022 OCEANEs whose bank details are known.

Unallocated funds corresponding to the compensation of securities whose beneficiaries (*ayants droit*) have remained unknown will be kept by Uptevia for ten (10) years from the date of the implementation of the squeeze-out and paid to the Caisse des Dépôts et Consignations at the end of this period. These funds will be available to the beneficiaries (*ayants droit*) subject to the thirty-year statute of limitations in favour of the French State.
